Easter Means Eggs

What Easter breakfast would be complete without eggs?

In order to make them at their very best, they must be properly cooked.

We have all the necessary cooking utensils for such a job. Poachers, Skillet, Fry Pans, etc. If you at toast with your eggs, we can also supply you with toasters at prices to suit the customer.

Spring Rains

They seek out a place to squeeze thru and make a mess, rotting out roof structure and smearing their dirty finger prints over ceilings and some furnishings.

Frequently some good Asphalt roof paint or plastic cement will repair these annoying leaks at trifling expense.

Simoniz Kleener-Polish

The finish of your car is as important to its satisfactory use as lubrication is to its motor.

Give the finish a chance to show its face—Simoniz Kleener at 50c; Polish, 50c—a whole year's supply.

Shoe Repairs

Leather, Pano and Stick-on taps. Rubber Heels, Shoe Nails in all sizes. Shoe Laces, also Blacking in liquid and paste to shine up the job and you will be surprised at your improved appearance.

Mother's Day is May 10th.

Leave your orders for Easter flowers at Cheesman's drug store. Ask for prices.

"Cow Tone" - "Kow Kare"

And "Calves Cordial," time tested remedies that possess the confidence of alert dairymen the world over.

Their use is a constant insurance against many ills that threaten your flock. Keep these items always in your medicine chest. They are low in price—and full of real value.

Kow Kare before freshening time keeps down feed costs and brings the new milker into healthy strong production. Sick cows cut down profits—keep them well with Kow Kare, rich in iron and the tonic minerals that correct and tone up digestion and aid assimilation. Use it regularly and the extra flow will pay its cost and a profit.

Wash Boilers

Government authorities and laundry researchers have found that boiling is essential in making clothes hygienically clean—Women who strive for real cleanliness in their own clothes and the clothes of their families realize this fact.

Atlantic are double seamed to prevent leaking. This Wash Boiler is so constructed as to add greatly to the strength and wearing qualities of the boiler and prevent sagging. At the same time, the copper bottom gathers and holds heat without the danger of being burned out in the process. Our Wash Boilers represent quality and attractiveness, cleanliness and economy.
