## Memorial Day Again

pain, it is at once the nation's expression of grief and by placing a hair of the dog in the bitten flesh! its avowal of gratitude.

Following a custom that reaches back to the child-others who would smile at such primitive remedies and "Very frequently, however, a de-After a long period of high price hood of most of us, this community will make ready yet who say, "A little scratch—it'll heal itself—I won't crease is noted in the vigor of suc-land scarcity. fresh shrimps are now sonable foods which are moderate for fitting observance of the sweetest, saddest day in even wrap it up," when they meet with injury. all the cycle of years.

grave will glow like a garden.

gun, no glitter of bayonet, no gleam of sword. But hurried day to refresh your knowledge of First Aid mal is purebred or not." there will be in it something more impressive even than from some of the many sources of information availthe majesty of a charging host. Cheeks will grow able this week. moist with tears in the presence of that column and hearts will grow heavy with an inexpressible ache, but the significance of it will be a thing that in memory's treasure will never grow less. On the heart is written; the meaning of the day of flags and flowers. -

progress they have achieved is to be made secure. acknowledgement of its debt to its fallen defenders. the or no relationship to accomplishment after the each tract. It quickly outgrew its original design. It had in it school work is over, that the dullard or idler is as like- "The share renter is not consid- ber of turkeys being prepared for in 1935 so a base for 1936 can be on which the American people pay the tribute of love! outraged at even a suggestion of its abandonment.

## Chronic Pessimists

the earth. Its universality makes it secure.

TT'S the easiest thing in the world to knock. It's the easiest thing in the world to stay away It's easy to take no part in the parent-teacher as-f' sociation meetings and then knock on the schools. It's easy to play golf or go picknicking all day to excel count everywhere. No young person, or older Sunday and then critize the church because it does not

draw crowds. It's just the easiest thing in the world to degenerate into a sour-faced, disagreeable, self-satisfied, do, and what a great world this would be if there were chronic grumbler. Every city, every town, no matter how large or

how small, has its chronic pessimists, who see nothing A certain number will always exist, no doubt, as do just like the rich do. a horrible example for the rest of us, and even tho they do no good, they at least forever will stand out as a living manifestation of what forward-looking peo-lives on the moon. So the man in the moon must ple should not be.

## 1936 - First-Aid Year!

AY 17 to 23, National First Aid Week, is most significant this year, since disastrous and life-taking floods in the East, and tornadoes in the South, have imessed upon our people the need for more First training and better First Aid equipment.

But there is another headline that might be writ- query from the colleges. Do not Good eggs are more plentiful and now coming to market the several \$2.00 | ten-"THOUSANDS DEAD"-killed not by hurricane ask more than one question in one cost less this year than last at this are just promises of what is to come and flood, but by trivial-seeming acratches which they letter or on one post card.
