FORD V.8 ECONOMY MEANS (MORE MILES PER DOLLAR)

NO MATTER how you classify your It gives you more miles per dollar beexpenditures for car up-keep— cause it gives you all-round economy it's your total expenditure that counts. How. much "dollar mileage" is your car giving you?

Dollars do go farther in the Ford V-8. Modern improved carburetion gives you unusual gasoline mileage with brilliant V-8 performance. Most owners of today's Ford change oil only every 2000 miles and add none between changes.

And after the first few thousand miles you begin to understand what Ford V-8 "dollar mileage" really means.

low first cost, low up-keep cost, low depreciation and long life — as well as low gasoline and oil consumption. All these are big items if you aim to buy the most FORD MOTOR COMPANY
