CANNING AND SERVING TIME

we, and we are ready to supply various needs for Fruit Jars, Glasses, Fruit Jar Rubbers and more!

CANNERS
We recommend our new style jars, equipped to hold seven jars one time, popularly priced at and \$1.49. Canning is a pleasure when you can fill your canner with fruit or vegetables and go to and forget it for the time needed to complete the job. We also have Conservo Cookers, the easiest, economical canner for cold canning. All canners are designed to fit a single burner, on any range—which is an added effort on a warm day. We stock Canning Racks for use with a regular wash boiler—at the price of 35c—and boilers at different prices, depending on material and quality.

FRUIT JARS
We recommend the new wide mouth "Keer Mason Jars"—which consist of two parts; gold lacquer screw band and lid, both the natural gray sealing, composition lined in, and which are not affected by vinegar or food acids—will not corrode and can be used over and over again. No rubber rings are required—the screw bands last for years. They are easy to seal and open and eliminate work, waste

Half price auto plates went on sale Wednesday, July 1st at Belmont.

The Three Link Club was entertained at the home of Mrs. F. L. Hann Tuesday afternoon. Mrs. Hann was assisted by Mrs. Dan Witter and Mrs. H. W. Boyd. The program consisted of a reading by Mrs. George Beebe, songs by the members, accompanied by Mrs. Harold Hardy at the piano. Slips were also given out and read by the members. A delicious luncheon was served by the hostess and her assistants. The July meeting will be held at the home of Mrs. George Beebe.

and worry. The jars are made of clear crystal flint glass, and the wide mouth permits placing hand in jar to pack whole fruits and vegetables or large pieces of meat. These jars are made in four sizes — half pints, pints, quarts and half gallons. These new wide mouth jars are American housewives' choice in fruit jars because:

1. They are easy to seal.
2. They are easy to open.
3. They are always a perfect seal.
4. They are economical for all canning methods.
5. They will last for years.

We also stock the Atlas Easy Seal Jars in all sizes and the prices are right.

JELLY GLASSES
In both the tall and low styles at 45c per dozen.

FRUIT JAR RUBBERS
Which always insure a good job—in fact, we have everything that you may need to do a first class job of canning.

Fly Swatters
