

WELLSVILLE BUSINESS REVIEW

Pickup's Restaurant

This popular restaurant in Wellsville at 82 N. Main Street, is appropriately decorated, is known as the place "where things to eat are different."

This restaurant is a popular place for discriminating people to meet for breakfast, lunch or evening dinner and has an excellent patronage.

At this popular restaurant one comes in contact with real American cooking, the kind that is practiced by the mothers and daughters of the best families of the country, and one mission that this place is performing is the preserving of this art in the public life of the period.

Here you will find well-cooked food, wholesome and deliciously appetizing. The service is equally satisfactory, whether your order be large or small, and you will be able to feel that your trade is desired.

and appreciated by the management. There is no more attractively furnished place in this part of the state than this one, and there is none that has attained a greater measure of popularity. There is none in which the service and courses are more pleasantly satisfactory. After noon and evening auto parties or people from this section, in town on business will find this a pleasing place to complete the pleasure of the day.

The service at this restaurant is very pleasant and offers all the grace and hospitality of the American home.

In making this review we are glad to compliment the management upon the position it occupies in the business and social life of the period, and to call the attention of the people that it is one place where the desire for real American food can be thoroughly satisfied.

The First Trust Co.

Admirably located in Wellsville at 198 N. Main Street is a most reliable financial depository that has been a vital factor in the progress and development of the community.

It may truly be said that a review of the country would not be complete without extended reference to an institution which has been a potent factor in the financial, agricultural and industrial development of the county for years. It was a legitimate outgrowth of the needs of the people for adequate banking facilities. From the day of its opening up to the present time it has been noted for its sound and conservative management commencing at all times the confidence of capitalists, business men, farmers and people generally holding a high rank in the banking circles of the state, the example in management set by the older bankers having been maintained through the flow of passing years.

The First Trust Co. is organized to officiate in any trust capacity and has charge of the handling of many large estate. It is prepared to officiate as administrator, executor, and guardian, receiver, or in any other trust capacity. This bank officiates

in any of these capacities is in a better position than individuals to render impartial and efficient service. It is organized for this service, and will see that no excess taxes are paid; that matters are not delayed through illness or vacations; that the interest of every person concerned is carefully guarded and efficiently served.

It is always wise for either large or small estates and other trust matters to be placed in the impartial charge of a trust company.

A special feature is the savings department. One dollar will start an account in this department and the account will be given the same attention as though you were depositing thousands of dollars.

Your money works in safety when you deposit it in a savings account with this strong, reliable bank.

Its earning power supplements your own and it enjoys the complete protection that comes from their large capital and surplus.

The officers in charge are of the county's best known men of affairs who have been intimately associated with the progress of this community.

Citizens National Bank

A very reliable banking institution in Wellsville at 99-101 N. Main Street has aided in the commercial, industrial and social progress of this vicinity by rendering an essential service in general banking and finance, embracing all features of this service.

This well known bank is an institution that has gained prestige at such a substantial rate since its organization that it has taken its place as one of the Gibralters of Finance in the United States, as it is conducted with a conservatism that makes it a very reliable institution.

This bank has aided in the upbuilding of the community. A dollar started many a man on the road to success. The possessor of a bank account soon becomes a home owner and then he draws interest from which he draws interest.

This is the road to success and this institution has been instrumental in starting many a man in habits of saving that have made him and his family happy in the possession of a comfortable home.

The history of this bank shows that it has adopted a policy of faithfulness and service. "Stand by and fight for those with whom you have placed your faith." This bank

stands by its customers at all times, in peace and prosperity as in storm and stress. Faithfulness and service have been their watchword for years. They can be a friend indeed to you if you are one of their depositors.

The various departments are so arranged as to facilitate the rapid prosecution of the bank's business as well as for the convenience of its patrons.

This enables them to render a most complete financial service and every phase of its activities is under the guidance of men who have experience and a comprehensive knowledge of modern financial service.

The officers in charge are men of well known financial and executive ability, and in the conduct of the bank's business, have always adhered to the great cardinal laws governing banking and finance. Under their direction, we predict that this well known depository will continue to be one of the best conducted financial institutions in the country.

We are glad to compliment the Citizens National Bank upon the great success of the institution and to say that it has been a potent factor in the upbuilding of the community.

Their baby and children's clothing is a great accommodation to the public as they have a large stock of all kinds of clothing for babies and children. It saves time to buy these ready-made and then they are of the very best styles.

Attendants are here ready to serve those who have made an extensive study of this feature of a modern clothing house and know how to fit infants and children out so that they will not only have serviceable clothing but will have a neat and trim appearance.

A very modern up-to-date millinery store and carries at all times a large stock for the accommodation of this and adjoining counties.

This is one of the leading millinery establishments in this section under most competent direction and has the reputation of offering chic millinery and many smart hats have been turned out from this shop.

At this time they are receiving many of the newest styles. They always carry a large stock and the ladies of the community can always find something here that pleases them. They purchase their hats from the leading dealers of the country and as a consequence they are always up-to-date.

They have adopted the latest idea in selling millinery doing away with the special exhibits which only come at certain seasons and instead are maintaining a complete hat department throughout the year. Through this method Mi-Lady can obtain the latest New York or Chicago creations during any time of the year.

In this review it affords us great pleasure to recommend this firm to our readers and suggest that they give the shop a trial and be convinced that this is the logical place when seeking anything in millinery.
