to Heat with GAS

It's economical, convenient, clean ——— (before you buy any fuel, find out how little it will cost you to heat with GAS)

Gas Heat is not an Extra expense

You need not spend money that you could otherwise save. Just take the money you usually spend for old fashioned fuel and buy GAS with it.

No storage space required. No money tied up in fuel, you pay for gas after you use it.

No labor, no dust, no ashes. GAS, the only completely automatic fuel, now costs less.
