OUR KEYNOTE: 'If There is Not a War. Cut a Wer"

Labor Day

which it pays to those who serve mankind.

Viewed in this light, Labor Day is something of moral and spiritual significance; a day on which sible through earnest effort; a day on which to rejoice in the emancipation of the masses; a day for the advancement of the brotherhood of man.

Fall Plantiing

THE inexperienced onlooker may think that the tion in the process of locomotion.

There happens to be more co-operation with lung capacity. nature in fall planting than even an experienced These are some of the advantages of walking Cornell bulletin E-211. novice knows about, for nature has no way to carry that are advanced by its advocates, but we should not | "If the strawberries in the old | over even the seeds of annuals, but must broadcast lose sight of the fact that walking is not a panacea bed are of one variety and have home Thursday, and are housekeep. The News is in receipt of an memorals. them with a lavish hand and trust to the sturdiness for all ills to which man is heir. of the seeds and the benign grace of the winter to Walking has its disadvantages, which may aclassumed to be perfect flowering Dyke street.
