NOTED THEOLOGIAN IS HERE FRIDAY

Rev. Frederick H. Sterne, Former South African Pastor, Will Speak at the Baptist Church.

The following program will be given at the meeting of the Baptist church this Friday afternoon and evening:

2:30-3:00—One-half hour of prayer.
 3:00-3:45—Dr. Harold Reed, "Finding Our Place and Filling It."
 3:15-4:30—Rev. F. H. Sterne, "God's Program for the Future."
 7:30-8:00—Song Service, using the Moody Centenary song book. You will enjoy singing these old Gospel songs.

8:00-8:45—Rev. F. H. Sterne, "Is the Bible True?"

Mr. Sterne began his ministerial career 12 years ago as assistant pastor of Trinity Baptist church, Alice, South Africa. Here he continued for three and a half years, preaching every Sunday, and preparing for the theological examination of the Baptist Union of South Africa. He then came to America and took the full course of the Moody Bible Institute of Chicago, at the same time acting as pastor of the church at Western Springs, Illinois. He became associate pastor of the First Baptist church of Knoxville, Tenn., during Dr. Len. G. Broughton's pastorate there, preaching regularly to Dr. Broughton's congregations during the latter's frequent absences.

He returned to South Africa to visit his parents and was pastor of a white church in the suburbs of Cape Town for three years. During that time he was instrumental in founding the Bible Institute of South Africa, was appointed secretary to its council, and lectured on Bible doctrine and contents of the bible. He was for two years in succession elected president of the National Christian Endeavor Union of South Africa, and was a member of the South African Council of the Africa Inland Mission.

He was called to the pastorate of the largest Bible church of the country, the Central Church of Johannesburg, Transvaal, a city with a population of 250,000, but he preferred service in this country.

Returning to America, he was instrumental in building the new Baptist church at Huntington, Long Island, at a cost of \$90,000. From there he went to the pastorate of the First Baptist church of Endicott, N. Y., where he now is.

Music!

Carborundum Band will play over the Columbia stations every Saturday night for 26 weeks, beginning October 10.

in for good band music and Carborundum Stones for all kinds of grinding purposes.

57 Carborundum Hone will work and do it quicker than stone on that dull tool. Try it you will never be without it.

Carborundum Files will sharpen all farm, garden and many tools, giving a keen fast-edge. They save a lot of grinding and last a long time with proper care and usage, at only 95c.

is only one "Carborundum" the very name denotes quality and service. Carborundum products last longer; they form in structure, therefore better service—quicker. There is one for every sharpening purpose.

Smokers

A favorite blend of tobacco reveal itself with an even great satisfaction if you will use one of our Sanaton Pipes. An old pipe in the best tobacco, and a pipe multiplies its excellence. Yours today, and enjoy a good cool smoke. Price 25 cents. Others at 5 and 10c.

School Trustees

Remember, we stock crayons, erasers, water pails, brooms, paper towels, toilet tissue, floor oil and other articles found useful as well as necessary around the school.

Lanterns

Make sure you have a good lantern from which there is no danger of setting buildings on fire. Look yours over—it is better to be safe than sorry.

Brown Spots

If the dry weather shows up bare spots in your lawn, it means thin soil and low fertility. Mark them and when the fall rains soften the ground, add some rich soil, Vigoro and a good sprinkling of our quality Lawn Seed.

Lawns of good fertility, properly seeded, will be free from weeds and good lawn seed will choke out the most insidious weeds if given proper support. The dry spell is coming to a close—so get your Vigoro and Lawn Seed ready, and give your lawns a fair chance. You do your part—the fall rains will do the rest.

Leaky Roofs

A can of Roof Cement and a coat of Roof Paint will repair those places if they are not too bad. If they are a new roof is needed. You will find us able to supply the needed materials.
