> > LIVER BILE-

AMES L. ROGERS,

Without Cabinet - And You'll Jimp Out of Bod in the Morang Raris to Go The liver should pour out two pounds of liquid bile into your bowels daily. If this bile It just decays in the howels. Gas bloats n your stomach. You get constipated. Your whole system is poisoned and you feel sour. sunk and the world looks punk. Laratives are only makeshifts. A mere bowel movement coesn't get at the cause. It takes those good, old Carter's Little Liver
