"Stonewall" Jackson? Benjamin Franklin was born, Jan. ies. "Poor Richard's Almanac" car- B. Dugan ried his pithy sayings into thousands of homes. To the nation he contributed part of the Declaration of Independence and was one of its l signers. To science he contributed various scientific appliances such as the stove and lightning rod and he proved to the scientific world that electricity and lightning are identi-

One of the greatest orators and statesmen America has ever known was Daniel Webster, born Jan. 18, 1872 in Salisbury, N. H. One of his most outstanding speeches is his "Reply to Hayne."

Robert E. Lee, the commanderin-chief of the Confederacy, was born on Jan. 19, 1807, at Stratford, Va. Alfred High Band He contributed valuable service in the Mexican War and was the ablest Feature of Assembly of all the military leaders in the Civil War. His death was greatly felt thruout the entire nation. Virginia sculptor carved the statue which marks his resting place in the College Chapel at Lexington.

Thomas Jonathan Jackson, better! known as "Stonewall" Jackson, name bestowed him for his service during the Civil War, was born Jan. 21, 1824 at Clarksburg, Va. (now) West Virginia). He was accidental- tures. ly shot by Confederate outposts on night. Being one of the most able generals his death rather offset the time the Federal victory.

Equally important for the deeds they rendered to their country, the these four will always heighten the prestige of America; thruout the entire world.—Editor.
