suffering from heart disease, but had Despite the increased membership of the Republican majority in the lower house, Speaker Oswald Heck, with Majority Leader Ives kept Assemblyman William H. MacKenzie as a member of the same committee as during last session.

> The committees which the Allegany county representative is a member of include banks, civil service. insurance, charitable and religious societies and social welfare. Thru these several bodies flow all of the legislation introduced in the lower house with subject matter pertaining to these categories, as designated by the committee named.

With a determined effort under way to bring about a short session of the 1938 New York State Legislature, it has been disclosed that all local bills will be closed out within By local bills are meant any of

those measures, which deal directly with legislation affecting townships or county sub-divisions alone. Ir with the current Supreme Court other words, the action of the Legisterm thruout the week's grand jury lature on such a meaasure would only affect the territory represented Mr. Cline was born August 13, by the one introducing the measure,

Before the Assembly or the Senfecting state and national programs, the decks must first be cleared of all local legislation.

Again this year also, Mr. MacKenof all legislation introduced in the Assembly to be kept on file in Belmont at the office of Denzil Perkins. Copies of all legislation introduced with index for location and classifithere by those persons interested.

Likewise, a special mailing list is being made up again this session for those persons interested in legislation affecting their interests. That legislation affecting banking, agricul-
