Saunders and McAndrew school closes for the summer vacais studying.

The student with poor class work has a good chance of passing an examination if he studies carefully L. Perry in preparation for it. Final examinations are given those subjects which are taught for

a period of 20 weeks with the ex- W. Bowen ception of intermediate algrebra and M. Cady business law, both of which are Regents subjects. Mid-year exams are the tests given Andover covering all the work included in Dolan the first 20 weeks of study. This Briggs

mark is added to the report card Fulkerson and counts twice in averaging the Antan graduation list. Whether or not examinations are Burgett a true basis for testing students is a Oakes much dehated question, but since no Greene solution more satisfactory for test- Wm. Dugan ing knowledge gained has been found Saunders

Angelica and Andover Fight I'm First Place

The Andover High School gym will Soundard be filled to capacity on Fridey night, D. D. ... Jan. 28th, when the local team on tertains Angelica in a battle for first Coth place of the Allegany county League. Andover at present tops Noble the league with four victories and Dodge a single defeat, while Angelice is Shaff close behind with three wins out of four games. Earlier in the season these two teams thrilled a large Almond 2nd team crowd at Angelica by a hard fought L. Kernan battle which finally resulted in a D. Ewell one-point victory for the Purple. D. Ewell This defeat was the first in three M Cady years for Angelica on its home court J. Heers and they are confident of avenging W Bowen this loss on Friday night.

Angelica, with two players towering over the six feet three inch mark, will have a definite advantage in height and experience gained by three successive championship teams. Senior Interview but the local team's fighting spirit m y surmount these handicaps. In a preliminary game the Andover reserves will encounter one r their former conquerors in the Angel.ca seconds and a close game is
