MACK in the Stone Age, the cave man was all right in **D** his day. If he saw anything he wanted he grabbed lairls t. If someone was in his way he knocked them down. If the person remonstrated, he was snarled at. Often there was a fight.

That was centuries ago, or was it: Anyway, who which is very much needed in this rural area, will be wants a cave man around this day and age, with all the added and the scholars will have the advantage of decost of current required to charge mont, at the former's home, Saturare sorry to hear of his serious ill. of kindness, gentleness and courtesy developed.

There is no greater asset that an individual can! have than courtesy. Intelligence, skill, perseverence are all helps on the road to success. But if your man-Business Has No Grumble ners are boorish, if you offend people by your rudeness WAS lunching with a group of high executives, and one will find the going very rough. People judge your the discussion turned to economic problems. politely gets the advantage.

acquired. Don't think that courtesy is something on the outside that can be put on or taken off like a cloak. It involves self-control, the ability to check an angry!" word or a hasty action, thus avoiding injury to someone else's feelings. It involves tolerance, the realiza-1' tion that the other person has a right to his own convictions and should be allowed to voice them. Remem-? ber it is the weak man who blusters and shouts, be-!" cause he is weak in body, mind or character. The great' men have too much confidence in their own strength ! and manliness.

Courtesy is a habit that can be developed--by you! and you alone. If you have the sincere wish, you can " make life pleasanter for yourself and easier for all concerned. Always remember that real courtesy goes deeper than good manners and surface politeness. involves thinking out opportunities for kirdness and service. It is not a matter of form, but of the heart!

Highway Safety Bills

cated when arrested.

CIX bills to promote highway safety in New York their pastor." State have been introduced in the Legislature by; State Senator Thomas C. Desmond, as the result of a recent public request. The bills provide that:

of drunken driving. 4. Every person who operates a motor vehicle) "while under the influence of intoxicating liquor" shall be guilty of a misdemeanor. Subsequent violations of Up to the Motorist this provision are felonies, punishable by imprisonment

by a fine of not less than \$200 nor more than \$2,000. may be required to have an examination by a duly licensed physician to determine whether or not the driver is intoxicated. Refusal of the accused person to submit to the examination, within two hours after arrest, shall be prima facia evidence that he was intoxi-

sent a physician's statement that they are in satisfactory physical condition to operate a motor vehicle. 5.—Operators and chauffeurs involved in accidents for which they are to blame must submit to re-examination to show their fitness to operate a motor vehicle. 6.—The Commissioner of Motor Vehicles shall on a mountain, but not on a tack. revoke permanently the license of every person whose license has been revoked twice within five years.

It requires a good strong man to say: "I was mistaken and am sorry." A weak man hesitates and often fails to do the right thing .- Franklin.

Meetings Are Advantageous

MERICANS are frequently accused of attending too 1 many dinners and banquets, and listening to to many speeches. Yet despite the possibility there may some truth in the general assertion. It is doubly true hat a lot of good should come out of the dinner held !! few Thursdays back when the Exchange Club conbenefits of better prices.

The members of the Exchange Club are endeavor- query from the colleges. Do not kins of this village. ling to have this area become interested and concerned about the educational welfare of our future boys and

Another point of interest to consider is the fact that the community is favoring the centralization of our schools, and by this move an agricultural course, That was centuries ago, or was it? Anyway, who which is very much needed in this rural area, will be 0. B. asks: "Can you tell me the lown projects.

ently out came the usual line—"Congress is a bunch! of idiots. How can we hope for any sensible program Courtesy is that part of personality that can be when our laws are made by such men?"

I was annoyed. All my business life I have listened to that sort of talk. I have known a good many Senators and Congressmen. My judgment is that they are fairly representative of the nation, neither better .nor worse than the rest of us. They do not originate! very much in the matter of national policy and legis- There are a dozen or more types of given that all persons having claims lation.
