Will Buy Eggs For Relief Uses

The Federal Surplus Commodities Corporation has been authorized to buy surplus eggs if there is a break in the present price levels or if the levels of a normal season advance, expected soon, should be below normal, according to L. R. Simons, director of extension, New York State College of Agriculture.

Distribution of any eggs bought will be made to needy persons thru relief agencies in several states. Purchases will be made at any country purchasing points, terminal markets, or mercantile exchanges where surpluses prove greater than normal, where market trends are seasonally below normal, and in areas where prices to producers are not in line with prices at terminal markets.

A flexible purchase program makes it possible to buy surplus eggs from country points to avoid congestion at terminal markets. Eggs may be bought from farmer co-operative organizations, private firms, corporations, or exchanges. The prices at which eggs are purchased will depend upon the types, grades, and where they are bought.

LITTLE BITS OF HUMOR

Just That Simple

Reporter: "To what do you attribute your great age?"
Grandpa: "To the fact that I was born so long ago."

Call a Doctor

Barber: "Was your tie red when you came in here?"
Customer: "No."
Barber: "Gosh!"

His Destination

The train was just pulling out when the breathless lad dashed to the ticket window. "Hurry," he gasped, "Gimme a round-trip ticket."

"Where to?"
The boy looked at the ticket man in disgust. "Back here," he panted, "Where didja think?"

Be Specific

"Waiter, I'll have one big pork chop with French fried potatoes and I'll have the chop lean."
"Yes, madam, which way?"

Tit for Tat

The two men had been partners in business more than 50 years. But now the partnership was about to be dissolved, for one of the two lay dying.

The sufferer called his friend to his bedside.

"I know I haven't much longer to live, old man," he said. "Before I go I've a confession I must make. During our years of partnership I've swindled you out of thousands of dollars. Can you forgive me?"

"It's all right," said the other cheerfully. "Don't you worry about it; I poisoned you."

The Race is On

Mother: "Jackie, if you don't stop your running around the house so fast you'll fall and hurt yourself."

Jackie: "But if I don't run mummy, I'll get hurt anyway. Daddy's chasing me."

Defective

Jock: "An' how do you like your radio, Mac?"
Mac: "Mon, 'tis grand, but the wee light's hard to read by."

A lot of girls get the crazy idea that the only way to keep kissable is by practice.

HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste
Your kidneys help to keep you well by constantly filtering waste matter from the blood. If they get functionally disordered and fail to remove excess poisons, there may be general weakness, whole system and body-ache distress.

Burning, stony or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, twitching at night, swelling, puffiness under the eyes—feel weak, nervous, all played out.

In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills, a multitude of grateful people recommend Doan's. Ask your neighbor!
