## Rod and Gun Club Off to a Good Start

### Enthusiastic Meet Wednesday Evening Committee Approves Perfect Details

About 30 local sportsmen gathered at firemen's hall Wednesday evening to consider the formation of a Rod and Gun Club in Andover. Much enthusiasm was shown here and many positions were discussed. Andover sportsmen's organization, the other nearby towns have well organized and working clubs.

There are many active Rod and Gun Clubs in the area and much to be learned from them. The club will do much for the betterment of conditions of life. Often we have heard of various sportsmen's organizations. We should have a club of our own. Most of us have a little time to spare and a little money. It is a grand financial outlet and a great check on our sportsmen's return in the hunting.

A goodly number of people are becoming interested in the Rod and Gun Club. This is an organization that should be and is being formed. It is an organization that will be of great interest to you. You will find an opportunity to join your affiliate.
