**Local 4-H Potato Club Organizes**

**Organization Meeting Held at School Monday Evening Are Elected.**

The organization meeting of the Andover 4-H Potato Club, held at the school Monday evening, was held at the school Monday evening. Lou B. Burton, county extension agent, called the meeting to order and explained the general purpose of the club. The program outlined for the year was to give them a fine insight into scientific methods of potato raising that will counteract market prices. Corn exhibitions and athletic events will be the diversion program as outlined by Mr. Burton. Charles Spicer was named chairman for the year and at which the following were elected: Henry Antan, president; Donald Lynch, vice; Charles Spicer, secretary; Phil Lynch, song leader; and Carl Boddard, new member. The club decided to meet on the first Monday of each month at 7:30 p.m. A projects committee of James Mead, Carl Clayton Burger, Charles Spicer, and Phil Lynch, was formed for the year. They will hold discussions on potato raising, green sprouting, and planting methods. The new members will call by name on the potato in the field. Louis Fulkerson, Lou Charles Spicer were members of the committee for the year. These meetings are profitable to all members with an extra effort of the members to attend. Mr. Burton announced that the club would arrange to be in the Easter vacation and he would test any or all of the potato to determine their suitability in it. Any more of this service should get Charles Spicer, secretary.
