VOL. 53, NO. 22. Centralizi Is Ag

Grant of \$171,000 Administration to Andover Already

New developments in the school project has given a petus to the work of creating a centralized school in Andover work which was temporarily postponed a few weeks ago by the action of the Education Department is being taken up a renewed zeal.

There can be no further but what all district school State of New York will be sized within the next two years as soon as the necessary can be completed. It is judged, after studying bills prepared for presentation Legislature covering the tion of schools, that those that have voluntarily themselves will receive more terms than those which they are forced to come to new school system. Present indicate that the State Department will be permitted additional central dis summer providing they in size to the recommendation the Regents Inquiry Co. Therefore, the time has Andover to complete the ready well begun.

The Board of Education Andover High School has asked
