Keep Your Choulders

My father used to say to me,

"Keep your shoulders back!

Keep your shoulders back!

Whenever walking, don't neglect

To put this practice in effect—

Keep your shoulders back!

Keep your shoulders back;

Keep your shoulders back!

And so, my son, I say to you,

Keep your shoulders back!

Keep your shoulders back!

Whatever fortune life may hold,

Whatever fate the years unfold,

Keep your shoulders back!

Be resolute, alert and bold-

Although the going may be tough,

"Although the way is long and rough,

You'll find," he said, "the best of men

Face every task with courage true-

Feel weak and weary now and then,

But soon their heads are up again; ....

Keep your shoulders back!"

In school, be sure to sit erect;
