The Way to a Man's Heart

It has been said that the way to a man's heart i lodges to get together in seeing that thru his stomach. This may sound a bit coarse, but tant towns are properly decorated yet, what man does not like good food, and what each year with not so much running man is there that will not be made a bit happier each day if he gets good meals?

Year, after year, you save more money with Servel Electrolux, the gas refrigerator. For this reason: Servel Electrolux has no moving parts in its entire freezing system. Nothing to wear or become inefficient, nothing to cause costly upkeep or running expense. And that simplicity means that the gas refrigerator will always be silent, too, for there's nothing that can make noise. Call at our showroom today and get full information about this different refrigerator.
