Local Happenings

Hiram Byam has been ill at the home of his daughter, Mr. and Mrs. M. A. Mitchell.

The homes receiving new coats of paint this week are the Hammell house and the Henry Baker house.

Mrs. Ella Jenkins and son William of Hornell have rented the Mrs. Jay Bunt house on Barney street.

Social Security payments for June for this district which were paid from the Jamestown office amounted to \$1,637.43.

All New York State producers who grow potatoes for market are eligible to vote, August 19 to 24, on whether they favor a marketing agreement program.

The S. D. Baptist Ladies' Aid Society was entertained at the home of Mrs. Dan Witter of Rochambeau avenue, Thursday afternoon for a business and needlework meeting. A turkey supper and social hour was also enjoyed.

Wallace's new grade school building, which was approved at Monday's special session by a vote of 477 to 359, will be erected on the Pearl street site. William G. Kaehler of Rochester is the architect, has been instructed to proceed at once with plans for the new building.

Harold Moland had the misfortune to receive burns on his face and neck last week when the blow torch he was using blew up. He was taken to the Bethesda hospital for treatment. The burns were not serious and he expects to be able to return home shortly.—Alfred Sun.

Mr. and Mrs. Hamilton Ordway entertained the Five Hundred club at their home Sunday evening, at their home Sunday night. Among those who attended were Mr. and Mrs. Walter Davis, Mr. and Mrs. F. J. Saffins, Mr. and Mrs. T. J. Snyder and Mr. and Mrs. Milton Ordway of Hornell.

J. S. Wine, Chicago, driver of a large transport trailer truck, crashed into two store fronts and smashed a gas-line pump in Greenwood last Thursday morning, when he failed to make the right angle turn at the bottom of the hill on Route 17. No one was injured. About a year and a half ago an oil truck experienced a similar accident there.

Baker's Hardware News

CONSERVO CANNERS
Conservo is the easiest, most economical way for cold pack canning. This canner is designed to fit over a single burner on any type of range—gas, oil, coal or wood. The bottom part or water tank is made of copper and the upper part of heavy tin. It has four shelves, adjustable for height and will hold 14 one-quart jars at one time. The time for steam canning is the same as for wash boiler canning. Think what a comfort on a warm day to have only one burner of your range lighted! Fill up your canner with fruit or vegetables and go away and forget it for the time required to complete the job. Price \$9.00.

SHORTER DAYS
Have you noticed how much earlier it gets dark these evenings? It is a good time to fix up the lamps and have them ready to use. Aladdin Chimneys, Mantles and Wicks; Coleman Mantles and Generators and Gas Mantles in upright Inverted and Cez lights are now in complete stock, ready to supply your needs.

CARPET SWEEPERS
Is a handy tool to have in your home for ridding over rugs to pick up the light dirt. For the every day touching up—it is a time and labor saver. Prices \$3.00 and \$5.95.

AUTUMN DAYS
Are near at hand and if you get that house painted that you have been figuring on for some time, you will need to start right away. Remember, if you put on a coat of Moore's Primer for the first coat and then put a coat of Moore's regular house paint over it, you will have a job that is hard to beat and one that will last for years.

SAGGING DOORS
They ride the floor and always leave a crack; square them up with an adjustable metal brace. The braces are 42 inches long with a turn-buckle in the center which allows the exact adjustment. Complete with all attachments at 10c.

MICE & RAT TRAPS
In various styles from which to choose—so clean up the pests before winter. Mice Traps 2 for 5c; rat traps, 10c.

PROTECTION
Wire guard for flower beds or small ornamental trees, and we cut it according to your needs.

LION TOILET TISSUE
The most economical and the safest of all tissues; a real quality product that is strong in texture but still entirely soluble, so it will not clog drain pipes. Full count rolls, 10c each.

Everything Ready for Fair at Angelica
Angelica, Aug. 11.—Heralding the largest program of free entertainment in history, with carnival and machinery midway overflowing, directors of the 94th annual Allegany county fair and exposition are confidently anticipating another record-smashing attendance during the four days from Wednesday thru Saturday, Aug. 24-27.

With opening day but a little more than a week away, General Superintendent Myron Morton proudly pointed to the fact that except for a few minor details "everything is in readiness to receive the patrons."

More platform attractions have been arranged for this year than ever before. Six different professional acts will be presented. Besides the professional acts, the fair-directors have made additional arrangements for entertainment at the free-act platform. On Wednesday and Thursday evening the Crismo Heart stunt riders, daring motorcyclists of Bolivar, will present a program of thrilling acts. On Friday and Saturday nights the third annual amateur contest will be conducted with \$80 in cash awards being made.

Notice
NOTICE is hereby given that I will receive bids until August 20th, 1938, for transporting high school and seventh and eighth grade pupils to Andover High School for 1938-1939 school year. I reserve the right to reject any or all bids.

HARRY BAKER, Trustee, Andover, N. Y., Dist. No. 5.

WASTINGS

"Wandering Willie"

WE received the following this week, which we print in part: "Wandering Willie:"

The people on Grove street are asking, what is the big idea of putting a fence around Andover Grove. We have heard, by the way, that the mayor has done this so the poor bossie cows can be turned in and be in the shade and not out in the hot sun. We are wondering why it has not been cleared out and a place with swings and things fixed so some of the kiddies could have a place to play. We do not believe they would do more damage to the grove than a herd of cows. We are just thinking. Please tell us soon."

Back years ago the Grove was one of the busiest places in town, having swings, band stand, ball diamond and many other conveniences and amusements, but like the Andover pond which has been

going to be revived by public-spirited organizations and people for years, it died a natural death.

We can't tell the mayor to take down the fence or put up swings, etc., but we could suggest that at the upper end of the grove there is one particular spot that could be left in the open, unfenced, where there is nice shade and short grass that would make a fine place for the kiddies. The daddies and granddaddies of the interested parties could take an afternoon off and with the permission of the local authorities hold an old-time bee and fix the place up to suit themselves. Personally, we think the rest of the Grove is only good for cows and rabbits for the past umpteen years.

MANY of the firemen were all excited last week when the word went the rounds that they had taken second place in the Southwestern convention—and some of them even celebrated the occasion by an extra swallow or two. But alas, when the word went the rounds again it was Angola that had taken second place instead of Andover. Oh, well somebody had to win.

AND that isn't all about the con-

vention, either. We are still wondering if all of the music cases have arrived in Andover as some of the band boys got in the habit of leaving their instruments parked any old place and had to have some help in making the old memory wake up.

NO wonder "Bus" has been telling what a good softball game they had in Hornell the other night. He was one of the boys who got his bat in the way and the ball bounded off for a home-run. "Red" Alderson and "Cape" Rogers were also tied with "Bus" for similar honors.

Ice Cream Social And Dance

An ice cream social and dance to which the public is cordially invited will be held at Masonic temple next Monday evening, beginning at 7:30, with dancing at 9:30.

The American Legion band will play during the early part of the evening, and dance music will be furnished by a capable orchestra.

Come to the Masonic temple next Monday night and enjoy a social evening with your friends.
