Local Happenings

The Grange members enjoyed a weiner roast at the Grange Hall Tuesday night.

Friendship is holding a special election Monday, Sept. 26 to determine whether a sewer system will be constructed in that village.

County O'Neil & Candell, Inc. of Buffalo were low bidders for the contract of covering, graveling and treating the Nile West Notch-Richburg road.

The evening division of the Ladies Aid of the M. E. church met Wednesday evening with Mrs. Glenn E. Bretsch for their regular meeting and social time.

Mrs. Margaret Cramer of Wellsville has been given an interlocutory decree of divorce from Hugh Cramer. The custody of three children was awarded the mother.

The Tipper Pinechle Club gave Mrs. E. H. Highy a surprise visit Monday evening in honor of her birthday. They enjoyed a 6 o'clock dinner at her home followed by cards.

Mrs. Pessie Wildman of Endicott and Mrs. L. Reiner announce their marriage on Saturday, Sept. 27 at 3 o'clock. The couple will reside at 35 West 1st Street, Endicott, N. Y.

Paul J. Linn, manager of the Richburg Basket store, was seen in Millport late Saturday night in an auto accident. The convertible Ford coupe which he was driving left the highway, turned over and threw him out of the car.

The local Home Bureau will hold their regular meeting with Mrs. E. A. Mullen Wednesday, Sept. 28th at 1:30. All interested in the making of baskets and trays are urged to be present at this time. The lesson is to be given by Mrs. John Lewis. The membership drive will be started at this meeting and it is hoped there will be a good attendance. The vice chairmen's meeting and luncheon is to be held at Belfast this Friday. It is expected Mrs. Jas. Lynch and Mrs. W. L. Greene will attend and bring back interesting items of interest to all.

Baker's Hardware News

REPAIRING SEASON

Now that the hay is over and the harvesting is light, you will have plenty of time this year to look over your buildings and see what little jobs of repairing need to be done. If you have a metal roof that begins to show rust spots, apply a coat of Aluminum Paint and it will look like new and add years to its service. Also, if you have places on the outside of your house where paint peels or blisters, put on a coat of Moore's Primer first, then apply your other paint and your troubles from peeling will be over. A sure indication of the popularity of Moore's Paint is the number of houses that have been painted with it this season. You may be assured of a good job in looks and durability when Moore's Paint is used, for there is none better.

FLYS BOTHER?

However well your home is screened, an occasional fly, bug or bee will slip thru and one of these insects may cause plenty of annoyance or rob you of a well-earned afternoon nap. You may avoid this discomfort by hanging up a few ribbons of Aeroxon Fly Ribbon—they're mighty good bait for these prowlers and two long strings cost you 5c.

LINOLEUM RUGS

Just a handy size, 18 by 36 inches to put in front of your sink, stove or outside door. Variety of colors at 10c each.

NEW SHOES?

Again so soon? The children go thru them very fast, but we have found a good way to make all footwear last longer.

Watch the breaks and fix at once with So-Lo, a plastic that may be applied with the fingers, a wood paddle or an old case knife.

So-Lo is self-vulcanizing and long wearing—25c a package. Also if your leather shoes wet thru give them a greasing with Neatslene and it will soften the leather and make them waterproof—25c a box.

FLOWERS - SHRUBS

Now is the time to get shrubs in readiness for winter. Cultivate the ground around them and put on some fertilizer so that it will get well mixed with the soil and the plant will get the full benefit of it in the spring.

When taking up the house plants this fall mix a small amount of fertilizer with the dirt and give them a chance to do their best.

Bone meal, Sheep Manure and Vigoro are on hand to supply your needs.

DUST MOPS

Of good heavy wool yarn for only 69c. They are a real bargain—for one like them usually costs \$1.00.

CLOTHES PINS

Made of hard wood, paraffin finish, free from slivers—40 in a box for 10 cents.

Luke Dougherty is among our residents who are ill.

Among those recently installing telephones are E. E. Orvis, No. 460 and Claude Loucks, 781.

The Philathea Class and Missionary Societies of the M. E. church will meet with Mrs. F. L. Hann on Tuesday, Sept. 27th.

The Canaseraga state bank is being enlarged. An extension will be built from the present entrance to the sidewalk extending in front.

Mr. and Mrs. Harry Witcher have moved from the Joyce house on West Greenwood street into the Hartum house on Rochambeau avenue.

At a meeting of the directors of the Allegany county fair, a review of reports of the 94th annual fair shows an increase of \$300 over last year's receipts.

Mr. and Mrs. Charles Wright of Wellsville are the recipients of congratulations from a large circle of friends in celebration of their 57th wedding anniversary.

Prin. and Mrs. R. E. Brutsman of Olean entertained the faculty and supervisors, numbering 28, of Olean, at their summer home on the former S. Mead farm in West Greenwood recently.

The evening division of the King's Daughters of the Presbyterian church met this Thursday with Mrs. Edith Richmond for their regular meeting and social time and luncheon which followed.

The News office is the recipient of a communication from Erwin D. Baker stating that he will be home this Saturday, after spending the past month in the Tupper Lake region of the Adirondacks.

The 20th anniversary of the breaking of the Hindenberg line by New York State's 27th Division during the World War will be observed September 30th and October 1st at Albany with a reunion of the 27th Division Association, Inc.

The Cuba fire department, dressed in parade uniforms for the annual review by the city fathers, answered a call to the farm owned by Matt Straight where a barn and tool house were destroyed by fire. The cause of the fire was not determined.

One general was successfully completed in Willing township according to the regular work report of operations in the New York and Pennsylvania deep sand gas area. The test was completed on the J. O'Hare farm with an initial open flow of 1,150,000 feet a day.

Montgomery Shoemaker, Alfred University ceramic engineering senior, successfully halted a runaway team of horses from racing thru the business section of Alfred and at a time when the street was crowded with students who were enrolling at the university for the coming year.

Clarksville school district has been ordered, by Ray P. Snyder, director of the school administration service of the State Department of Education, to annex to the Richburg Central School District at the expense of the Richburg district, until their courses are completed, thus bringing to a close a long battle between two factions in Clarksville, one favoring centralization with Cuba and the other seeking annexation with Richburg.

Mrs. Mary Crandall has rented a few rooms in her home on Church street to Mr. and Mrs. Lawrence Padden, who have moved from Olean where he was employed, to the Wellsville Market Basket store.

Cuba has a bowling organization known as the M. & C. league comprising eight women and 12 men five, which is affiliated with the International Bowling Congress. The bowling schedule is completed and started its first play last Wednesday.

The Allegany State Park commission have issued orders that the water in Cuba Lake is to be lowered thru the recently constructed spillway gates. The test is to see how far the water may be dropped without dredging a channel to the new locks, a measure which may be necessary.

The Canaseraga Times relates the following: Mrs. Wm. Nixon of Geneseo recently received a diary which was kept by her son who was killed 20 years ago in the World War. Thru some unexplained channel the diary has been in possession of a German priest and was eventually turned over to a German soldier who found Mrs. Nixon's address thru war files in Washington.

Legion Auxiliary Elects And Installs Officers

The American Legion Auxiliary held its regular meeting Tuesday afternoon of this week with election and installation of officers following a 1 o'clock luncheon in charge of Mrs. Bertha Hardy. After the final reports of the retiring officers were given and the annual election was held the following officers were installed by Mrs. Ila Snyder, past unit president:

Mrs. Ruth Nottingham, president.
Mrs. Roxie Shaft, first vice pres.
Mrs. Lulu Emery, second vice pres.
Mrs. Hazel Burgett, secretary.
Mrs. Marie Hammond, treasurer.
Mrs. Belle Bloss, chaplain.

WASTINGS

from "Wandering Willie"

SHIREY'S Garage was a mighty poor place to argue politics, as far as sheriff went anyhow. A fellow didn't know what to say, as "Bob" had both Jones and Brigham signs in the window during the political race. All one could do was keep quiet and try and find out which way the wind was blowing politically from one of the garages.

THERE has been about umpteen firemen asked us to straighten out a little matter of politics that has been creating considerable talk the past week, so we'll be the goat once more and tell you folks. The cause of the whole rumpus was the placard in the fire hall window put there by some one of the firemen. It has never been and never will be the custom of any fire department or any other non-political organization to advertise politicians or sponsor them as a body. Some of the firemen are for Vanama Brigham and others for Edson Jones, but the implication that the Andover firemen are for one or the other of the candidates as a whole is way off. They will argue as individuals about the good or bad points of either one of the boys, but like the Legion organizations and others, politics should be kept out of the firemen.

THERE has been quite a bit of agitation over the disappearance of flowers, flower pots and slips from flowers at the Hillside cemetery in our burg the past week or so. This could be taken care of the same as it is in some of the larger places, with a twenty-five buck fine for the guilty parties.

Every once in a while this same situation pops up and then dies down after the best slips and pots are all gone. If it is grown-ups who perpetrate the deed they should be more than ashamed, and if any of the parents should see some of their offspring with a handful of flowers wring their darling little necks.

GRANGE NEWS

Edith M. Thorne, Lecturer

This coming week has been set aside by the National Grange as Booster Night week, a time when every Grange will make an attempt to acquaint the community with the Grange and to increase its own membership.

Andover Grange No. 1098, P. of H., constantly tries to make the Grange community-conscious and the community Grange-conscious; but in order to observe Booster Night in a very special way this year, it has ordered the Shrine of the Constitution and the Declaration of Independence and will present it to Andover free library with impressive ceremonies at its meeting Wednesday, Sept. 28.

This shrine will be of great historical and education value to our community and certainly ought to prove a lasting memorial to the patriotism of the Grange.

The meeting will not begin until 8:30 p. m., in order that all who wish may vote at school meeting and then come to the Grange hall.

A program of music and tableaux, telling the story of the formation and ratification of the Constitution will be presented. A complete program cannot be furnished at this writing. The American Legion band will furnish music and many dignitaries of the community will have a part in the dedication of this shrine.

Every Granger should be at this very important meeting. While special invitations have been sent to different organizations, do not feel slighted, for this is a special one for every individual in Andover and neighboring communities.

Rev. L. H. Kerns of the Andover Presbyterian church addressed the members of the Wellsville Exchange Club last Wednesday evening at their first regular session, having had a vacation of several weeks. His talk touched on the climate, politics, education and economic conditions among the inhabitants of Guatemala where Rev. Kerns had been a missionary for four years.

From his stay there, Rev. Kerns is of the opinion that the bond between the American countries, north, south and central, is a very real one which he says cannot be broken by any foreign country.

When buying kitchen tools, consider their weight, sharpness of cutting edges and comfort of handles.
