ARE YOU A STUDENT?

"What subjects are you taking school this year, Mary?" "Oh, Latin, history, English and math, dad." And in these few words, the conversation concerning school ends un-Pittsburg vs. Dartmouth. til the following year. Inevitably, Thursday: Harvard vs. Southern

the question arises in your mind-California; Washington vs 11.... Are you making your subjects vital western. in your life? Do you call yourself a student of Andover High and then proceed to make no connection Hi Herald Staff Tisten to the wisdom of Webster Meeting Held concerning the much misused word "student": "Student" from Latin , word "stulio" meaning to be enger. Therefore student one who is eager for learning." Having read Webster's definition, again I refer! you to the title of this article than what would be your arsyer? I am going to present for your en eideration a group of questions and of "Yee" then I believe ver

main to because your S " 3. Am Lorger to Street Street Acre 11-52 and 2 563 2 Vm I rager to have wheel t the safe and section and the same good his act " Am I cag . In the w the hack expend for the Philips of the test Am I provident to be a with radic to tal is to my old self 5 Am I eag . to see . hat Andotes library can offer me en topics discurred in class? Am I eager to ese what pos

and Webster agree on the deficiti

of the word "student

that words have a life bieters instilike human beings? degree depend upon the curionity have shout nature and events han it pening around me? As I read or talk with prople. do I find a challenge in what they have to say?

Perhaps, pupils of Andover (for). I shall call you pupils until you answer the above questionnaire), you;" your "Student Quotient" is high, I'm getting a good start, and once habcertain you can. Whatever your rating in this test, today, Sept. 29, not easily lost. Live it! Enjoy it! Work for more urge teachers and parents to than a mark! Work because you sympathetic but firm in insisting on unsee its relationship with your life, high standards of accomplishment. with your future happiness, and success! Work because you want to Clyde Briggs be more than a pupil of Andover High—vou want to be a student! Heads Blackfriars -R. Barrett

-----A-H-S-----Bulletin Board Displays

Two maps, one of France with ail cities and rivers given in French, and one of Germany showing the names in German that we hear so much today, are the main attractions of presentation at Thanksgiving the bulletin boards this week. Also, other programs thruout the year. you will find articles on the flood in

the United States and the crisis in Library Council Latin and French students, watch Will Meet Every the bulletin board in room A to find out the mark of your team in Two Weeks the vocabulary races.
