MR. CAR OWNER: Now that Fall is here, it's time to prepare your car for Winter driving. We're equipped to give you complete service on changing oil and grease, checking the battery, and protecting the cooling system. . . . If your car has been overheating this Summer, let us examine the cooling system. We clean cooling systems quickly and at a reasonable price.

We recommend "Eveready" "Prestone" anti-freeze because we know it will protect the cooling system of your car from freezing and rust-clogging all Winter long. You can install "Prestone" anti-freeze now because it's guaranteed not to evaporate or boil off. Let us check the cooling system of your car and give you this positive protection against freezing and rust. We will guarantee its satisfactory performance, if properly installed, for the entire
