Empire State Label on Farm Products

Trade Mark to Farm Products in New York State Appear Next Week

Albany.—New York Empire State label, consumers of quality will appear in common than a million packages next week, it was week by Holton V. M. sioner of agriculture Commissioner Noy the new state law, the grading and insp farm products which label which went into 1938, is now operating of Agriculture later in developing brand, will confine the beginning to the quality on potatoes, and possibly honey later. Later on as the price increases, says the the will be added.

An experiment will State trade mark la during the State f which thousands of pies and potatoes graded and packed with regulations for State trade mark la periment," said C convinced us that will buy farm product the product is as potatoes packed under brand attracted very ment and many st died them reported mand for products b We are confident w ground in developin tion in marketing of farm products.

"As far as we k State is the only st ing compulsory the farm products bear trade mark of quali consumers can rest ever they see the E mark on any packa ducts, the integrity behind that packa Commissioner Noy design of the Emp will be the same f ducts. The label tral theme "the v State" over an out State with a deep each end of the lab on the label reads contains a graded farm product, Emp fied by official ins this trade mark, Department of Agr kets."

Each producer of the state trade ma State farm product ed a permit numb number will appear age bearing the la

Contracts are n between the state of the label. Unde received from the trade mark labels publicity and adv tion of New York ducts. The State ever, advertise any bearing the label.

Commissioner N regards the trade n means of develop New York State fr in that way impr conditions of pro same time he poin dling of labeled pr advantageous to th also give consume ance they are gett for.
