Preparedness For - What?

TE DO not know, nor does anyone else, how im-minent the danger of a war involving the United States may be. We hope that there is nothing of the kind in the offing. But it is apparent that the tolk who are running things in Washington believe that this country should put itself in a position where it can protect itself if necessary.

llow know that we are stronger than he is. We get ture and Home Economics to answer Mosher & Greene, Editor & Publisher J.
