PEACE ON EARTH!

TOW much we need the consolation and promise ... business corporation and every individual is on their friction, off the road we go. toes watching for "what will happen next" thruout the

surely could be well taken by the world at large this year and it is our opinion that the sober-thinking people of this country would not object if the United States even played the role of Santa Claus to some of our Southern neighbors (Mexico excepted, they've had; theirs) at the Lima Conference.

The Christmas spirit, if we fall in with it and drink in its full meaning, will open the gates to new individual happiness, new opportunities and new thoughts. I is a good season of the year to set our inner houses in) better order, by doing our own individual jobs better, by beloing others to do theirs, and by passing a inspiration and support to those who need it mant

A Warning to Americans

ANY people have ridiculed the activities of the [Cengres form! Committee which has been con LV Adding on in religation into un American Ac-

Chairman Martin Dies ha been abused, even by Cabinet officers, for permitting vitnesses to make statements indicating expositly on the part of officials of

it and other wire lies And the takes with a court a local depots ion years that this company sign organized

The hest result of the investigation has been to undermined by subversive and subtle propaganda, When advocates of other systems are proclaiming this marvelous application of modern power their merits to the willing ears and the susceptible

ciples of Americanism. As Chairman Dies expresses it, "the essence Americanism is recognition of the truth that the inherent and fundamental rights of man are derived from God and not from governments, societies, dictators, king or majorities. Communism, fascism and nazism all represent forms of dictatorships which deny the divine origin of the fundamental rights of man," That, it seems to us, is the elemental truth which America must never lose sight.

Don't waste precious time looking for an opportunity make one.

Centrifugal Force

TOLIDAY driving calls for carefulness and skill at the wheel. That's up to We Drivers who need to realize that Old Man Centrifugal Force is al ing of the Grange, Esther Mead was ilaws of "centrifugal force."

ful it is, and how much greater it "gets" We Drivers, vey Thorne.

dius, has to overcome a centrifugal force of only about gift to the Randolph home for chit-Taylor and several brothers and ceased. 1156 pounds at 20 miles per hour. But at 30 miles an dren. [hour, that force has grown to 360 pounds, and at 60] The past masters and past lectur-] it is nine times as great as at 20—over 1,400 pounds ers are to have charge of the Christ of those beautiful words! This year especially, trying its best to push us off the road! The only thing mas program Dec. 28th. when our country echoes with reports of wars, that keeps us on the road in the first place is the fricnow being carried on, and rumors and signs of unrest tion between our tires and the road. The minute the W. R. C. Holds thruout the entire world. Every Government, every centrifugal force gets stronger than the force of that Christmas Party

On road trips, after we have driven at a certain ... The Christmas message of Peace and Good Will speed for a long time, it seems a small matter to increase our speed a few miles an hour. Then after a : while we add a few more miles, until we have lost our usual sense of how fast we are going. Then, the first thing we know, we are face-to-face with a turn, even half-way around it, when we catch Old Man Centrifugal Force trying to push us off the road.

> is the only thing we can do. Approaching a corner orated Christmas tree. is often a test of good driving. For, if conditions per- The table was attractive with ten a test of good driving. Lor, it is often desirable to increase speed moderately Santa Claus favors and a decorated Alfred were the guests of Mr. and Mrs. H. C. Coleman. as we go around a curve.
