FOOLISH PLAY IS EXPENSIVE

We have often heard of people dying on the gallows for something that some one else has done. Usually it doesn't go to this extremity, but it is not unusual for some to get the "raw end" of others' foolish play.

Last Monday afternoon it happened inside our own school. Some of the musical instruments that were in the gymnasium were damaged to the extent of several dollars; others were lying around on the floor—as the result of a more or less destructive mood that passed over a few of our fellow students that day.

It is definite that unless the offenders are reported, the owners of the damaged properties will have to meet an expense that should not be theirs. However, we hope the latter will not be the outcome but that the guilty ones will be justly punished.

WHAT ABOUT A POPULARITY CONTEST?

During the last two or three years the Hi Herald has sponsored a popularity contest. This year there seems to be some question since some of the students wished to encourage the idea and others have protested it. We don't wish to hurt any student's feelings but we want to sponsor the contest if the student body is willing. There will be a paper posted in the Study Hall regarding the student sentiments on the subject and if you are interested either way, please sign your name before Monday night, May 27th.

POET'S CORNER

Idleness

Here I sit at my desk,
Trying to write, but I'd rather rest,
Trying to write a story, a poem or essay.

The teacher must think I'll be a writer some day.
I'd like to write some day.
But I don't think I can
I just sit here, idle,
Like a lazy old man.

It's no fun to be idle
When everyone else works
But what can I do?
Just give her the works!

I'll get no credit for idleness
You have to work for a mark,
But I just sit here dumbfounded
Mad enough to bark.

—John Lynch

A Sunrise

Early in the morning
When the grass is wet with dew,
When the birds begin to waken
And the buds of flowers, too,
I like to watch the sun
As it slowly climbs its way
Upward, from the mighty rest
Behind the hills of gray.

Soft tints of pink and yellow
A bit of orange, too,
Are splashed upon the morning sky
An easel of wondrous hue.

No living artist here on earth
No matter how great or wise,
Could ever really truly paint
This glory of the skies.

—Anna Hardy

Flying

Up, up—I go
The bird is but a marble
Up, up—I go
I wander in the clouds' marvel,
When I come down,
My thoughts leave in swarms
As I lead my plane on the ground
I feel that the earth is the place of storms.

—John Ahrens

Peanut Energy

Half a peanut can supply the physical energy for an hour of adult mental work.

Another Successful Exhibit Held

A. C. S. Band Plays

The annual school exhibit was held Monday evening, May 20, proving to be most successful.

The rooms were on exhibition from 7:15 to 8:45 and were well visited by the parents and friends as well as by the students.

Much interest was attracted by the library at which tea was served to many, and the array of new books on display suggested the interest the students have for their library and reading programs.

Shortly after 8:45, the final program of this exhibit was held in the gym. The first public appearance of the Andover Central School band was made when it opened the evening's program by playing a number of various selections. The band made an excellent showing and is to be congratulated for its fine progress. The girls' chorus was next to make its appearance, this too, being the first one of this year. They sang two selections and were followed by the orchestra.

The concluding, but probably the most entertaining portion of the program was a one-act play presented by the Freshmen and Sophomores classes, under the direction of Kalliope Karcanes and Bernadine Briggs with the aid of Miss Larkin. The play was a humorous comedy entitled "Orville's Big Date," the cast being made up of two Freshmen and two Sophomores, namely George Karcanes, Elaine Pope, Wanda Dolan and Jane Burdick. The play was very well done and much praise may be given to the two Senior girls who directed it, and also to the actors who participated in such a play for the first time.

The students and faculty wish to thank the townspeople for their fine attendance and the display of interest in the work and progress of the Andover Central School.

Orchestra Highly Complimented At Houghton

Last Friday the A. C. S. orchestra ventured once more to Houghton. They played very well and when they received their comments from the judges, they said they were the first orchestra to play in tune, which was a very good compliment.

The orchestra hopes it may go to Bolivar next year where organizations which participate in the festivals are graded from 1 to 5 so they can see where they stand in comparison with other organizations.

MUSICAL BARS

Notes From the Houghton Trips:

Mr. Giffin and Mr. MacKay entertained the orchestra members by singing duets and solos of the "Gay 90's."

Why are there so many railroads on the way to Houghton? The bus would just get started when it would have to stop again.

We all wonder if "Casey Jones got to the promised land". If Mr. MacKay's solos have anything to do with it, he got there with a harp.

Did you ever see a big yellow tuft? Mr. Giffin and Mr. MacKay have, as they seem to know all about it.

Why did the bus stop at a water trough? A few wanted a drink of the delicious water before they entered Houghton.

After hearing the violin solo Mr. Giffin wondered what had happened to his violinists. (Must be they don't practice.)

The report from Houghton shows that the orchestra was scored almost as good as the band.

After the exhibit everyone understood why the members in the band are enthusiastic.

Valedictorian and Salutatorian Chosen

Pearl Goodridge and Carol Walton were announced last Wednesday as the respective valedictorian and salutatorian of A. C. S. Their averages were so close it can almost be called a two-way tie for first, for the winner had only a margin of 58-100 of a point. Carol's average was 86.28 per cent and Pearl's was 86.86 per cent. Both girls have worked hard and long for their honors and certainly deserve them.

Their success promises to extend itself into whatever future field they choose.

—Senior Ball, May 24—

Don Lombardo to Play Friday

Better and better reports are being heard about Don Lombardo's orchestra from Buffalo. He has never been engaged for any dances around the vicinity of Andover but the Seniors have heard such excellent reports about his orchestra that no doubt is left in mind about his ability to "swing it."

The Seniors have definite information that he has played in such prominent places in Buffalo as the St. Theresa Sodality dance, the 174th Armory Ball, the Navy Day Ball and at the Motor Boat Club.

Everyone is looking forward to hearing and dancing to this ten-piece orchestra next Friday night.

The Seniors hope to see the majority of the student body and the townspeople at this "Stardust" Senior Ball.

Regents Are Coming!

Regents are coming! This fact has come to many of us. As a result, there are several review classes in session. Among the first classes to have review classes are the Geometry, Business Arithmetic, Latin I and III classes and the French II class.

—Senior Ball, May 24—

"Lyric Time" Is Successful

Last Thursday and Friday, May 16 and 17 the Andover Fire Department sponsored the musical comedy "Lyric Time," under the direction of Miss Eleanor Mitchell, in the A. C. S. Auditorium, the net returns to be used toward the purchase of a new fire truck.

"Lyric Time" consisted of a three-act play in which comedy, tragedy and a series of dance acts intermingled. The dance acts, which were composed of Trouping, Banking on the Weather, Organdy Girls, Sun-bonnet Sue and Strike Up the Band were done by several of the grade children and Junior and Senior High girls.

The main characters in the play itself were: Laura Backus, Francis Vickers, Anna Dean, Harold Rice, Helen Dean, Harold Lehman, Henry Allen, David MacKay, Claude Loucks, Dorothy Lincoln, Oliver Kemp, Miss Mitchell, Reginald J. Sootheran, Orville Kupp, William Lang and Mrs. Pauline Croyle, pianist.

While at dress rehearsal Wednesday night, Mrs. I. H. Giffill fell and her part had to be taken by Miss Mitchell.

Several members of the Firemen's Auxiliary took part in a skit in Act II. Members of the Andover Fire Department were ushers and Wilbur Lehman had control of the spotlight.

This play was a great success and netted the fire department over \$60 profit. After the curtain dropped on the last act Friday night, the actors, Miss Mitchell, members of the Auxiliary and Fire Department and all others who took part in the production were invited to the fire hall for refreshments.

Cleanest Nation

America is the cleanest nation. We use 25 pounds of soap per person each year. Holland is next with 24 pounds. In China, the average is two ounces per person each year.

GETTIN' AROUND

Mary Lynch and Jessie Burger don't like date bureau ideas because too many boys get insulted.

The annual "popularity contest" will soon be forthcoming.

Betty Jo and Ethel seemed to like the dance at Belmont. Ethel especially, for she pressed and cooled her corsage for future remembrance.

Irene doesn't like Andover boys' tactics of taking "everything" for granted.

Don't forget that big and last dance of '40—"The Stardust Senior Ball."

Why haven't we had the band before—they're really worth listening to.

Carolyn Handley had to plug her ears during the playing of "Promotion March"—it was so loud. The two favorite marches were "Warming Up" and "Honor Band."

George Karcanes probably didn't mind being attended by the three belles of the lower classes as much as he pretended.

Tradition is again broken—the P. G.'s are cordially invited to the Senior-Junior picnic at the lake. B.J.L.

SCHOOL TEAM DOWNS WHITESVILLE 7-2

Last Friday afternoon Andover got back into the league race with a 7-2 decision over Whitesville. Swig Lehman pitched a tight ball game and his teammates collected seven hits from the offerings of the Whitesville hurlers.

Andover scored five runs in the sixth inning on three hits and two walks as McAndrew doubled and Greenan and Ryan each collected a single. Lehman struck out 13 men and walked one. Summary:

Andover (7)	ab	r	h
Dolan, 2nd	3	1	1
Dean, ss	3	1	0
McAndrew, lf	3	0	1

Eighth Graders Visit Water Works

Last Wednesday the eighth grade science class journeyed to Indian Creek to examine the Andover waterworks. Mr. Boyd explained the chlorination of the water and pointed out the various springs which feed the main line. They found that it is a gravity system which is furnished water by 37 springs.

The trip proved to be very interesting.

Tea To Be Served Library Visitors

Freshmen and Sophomores Will Be Hostesses

Would you like a bit of refreshment during your inspection of the students' work at the school exhibit?

The Freshmen and Sophomore members of the Library Council will serve tea as part of the library exhibit.

The hostesses for the beginning of the evening are Elaine Pope and Wanda Dolan and for the latter part Lena Voorhees and Betty J. Green.

There have been approximately 75 new books purchased which will be on display in the library.

—Senior Ball, May 24—

Movies on Safety Are Shown

Last Friday morning the biology class was entertained by the showing of a movie on Safety. It showed the effects of careless and thoughtless driving on both the driver and pedestrians and how the roads are now being marked out with white lines on the highway and at crosswalks. These are for the purpose of making driving safer, as long as the driver stays on his side of the line.

This movie proved most interesting to the biology class as well as the other science classes to which it was shown.

—Senior Ball, May 24—

With the Play Goer

"Orville's Big Date," a one act play, was presented at the exhibit Monday night. George Karcanes proved to be a very good actor as he played the part of Orville, a regular boy about the age of 15. Elaine Pope, Jane Burdick and Wanda Dolan succeeded very well in playing the parts of Orville's big sisters, from whom he was always begging money.

The girls finally gave Orville money when they found he was going to a dinner with a rich girl and also tried giving him a manicure and fingerwave to make him look nice. This part the people most, thoroughly enjoyed. The play ended up with Orville going fishing instead of the dance which made the girls very disgusted after they had ordered him a tuxedo and given him a fingerwave and manicure.

This play shows how much ability the lower class students have in dramatizing plays.

ANDOVER SUFFERS DEFEAT BY SCIO

Last Tuesday afternoon the local ball team lost their third game of the season by the score of 5-3 in favor of Scio.

Aided by four Andover errors, Scio scored five runs in the third inning on one hit. Graves hit a triple and drove in two runs. Andover scored two runs in the fifth, one in the seventh but left too many men on the bases.

Lehman struck out ten and Buckley 17.

Andover (4)	ab	r	h

WELLSVILLE WINS PRACTICE MEET

In a practice track meet at Wellsville last Wednesday, Andover managed to take two first places but were defeated by a Wellsville team. Wellsville, outnumbering the local boys 3 to 1, and with an experienced squad, easily outscored the locals in the shorter runs, the pole vault and the broad jump. Andover's points were scored by Vincent, McAndrew,

How One Woman Lost 20 Pounds of FAT

Lost Her Prominent Hips
Lost Her Double Chin
Lost Her Sluggishness

Gained a More Shapely Figure and the Increase in Physical Vigor and Vivaciousness Which So Often Comes With Excess Fat Reduction.

Thousands of women are getting fat and losing their appeal just because they do not know what to do. Why not be smart—do what thousands of women have done to get off pounds of unwanted fat.

Take a little spoonful of Kruschen in a glass of hot water first thing every morning to gently activate liver, bowels and kidneys—cut down your caloric intake—eat wisely and satisfactorily—there need never be a hungry moment!

Keep this plan up for 30 days. Then weigh yourself and see if you haven't lost pounds of ugly fat. Just see if this doesn't prove to be the surprise of your life and make you feel like shouting the good news to other fat people. And best of all a jar of Kruschen that will last you for 4 weeks costs but little. If not joyfully satisfied—money back.

with a first in the mile run; Arden Matison third in the mile; Victor Oakes, third in the 100-yard dash; Dick McAndrew, second in the high jump; Lealie Brundage, first in the shot put and third in the discus and Ernest Burdick who placed second in the discus and second in the javelin.

—Senior Ball, May 24—

"BASE HITS" By Ryan

Andover really got back in the pennant race last Friday night when they beat Whitesville 7-2. "Wiggie" Lehman pitched a nice game of ball, allowing fine hits. The team looked a lot better in the field than they have for a long while. Don Lynch has rapidly improved at his catching job and has shown this in the last few games.

Tuesday night Andover was defeated by Marshall Buckley of Scio 5-3. "Wiggie" Lehman pitched a great ball game and a heart-breaker to lose, allowing only two hits. Buckley also pitched a good game, bearing down in the pinches. The local boys got men on the bases but they couldn't bring them home for runs.

Friday night the Panthers will invade Canaseraga. In their last meeting Andover swamped Canaseraga and hope to repeat again. Harold Rice will probably pitch for the Purple and White.

Next Tuesday Friendship will come to town hoping for revenge over the beating they took by Andover in their first meeting. Friendship is a much improved team and will be hard to beat. Friendship has beaten Scio once this year. The local boys hope to take this game to stay in the league race.

Scio is leading the league at the present with six wins and one loss. Belmont is next and Andover third. The best Andover can expect now is a tie for first place.

The league games remaining are Canaseraga, Friendship and Belmont. Andover must win all the rest of the games and Belmont and Scio also have to be beaten by other teams.
