Mrs. Susan Eno Travis, beloved wife of Mr. Cyrus L. Travis, superintendent of the Borden Milk Plant here, died in General Hospital, Buffalo, Saturday morning, May 25th, at two o'clock. She had been ill for several weeks from a complication of diseases and had received every and all medical treatment which money could provide or the best doctors recommend.

She was born in Brewster, N. Y., 58 years ago. Her family were all connected with the Borden Co., as

was both she and Mr. Travis, financially. About 15 years ago they came to Whitesville and have entered into the town interests, the lives and hearts of the people here as no one else has ever done. She was a member, and both he and she were officials of the Methodist church and very liberal contributors to its financial interests. With no children of their own, every child in town and all needy persons were recipients of her care and bounty: Her circle of friends embraced all who knew her. She was a hand-maiden of the Lord. The remains were brought home Saturday in the Wildman ambulance and funeral services were conducted at the home Monday afternoon at four o'clock by her pastor, the Rev. H. E. Blish, assisted by the Rev. Leo Engler of Grace church, Corning, a former pastor here. The floral offerings were bewildering in quantity and gorgeous in beauty. On Tuesday morning the Wildman ambulance took the remains, accompanied by Mr. Travis and many friends and left for Brewster where interment will be made.

Mrs. Travis will be missed and mourned by every department of church, missionary or worthwhile social service, and her place will be very hard to fill, but our loss is her gain, and God does all things well.

Two fire alarms were sounded today (Tuesday) one in the morning when a blaze originated in Ronald Leach's automobile repair plant. It was quickly extinguished by the help of firemen and neighbors. Another fire was discovered back of H. N. Richmond's store, supposed to be caused by children playing there. The alarm brought speedy assistance and what might have been a disastrous loss to Whitesville was prevented.

Decoration Day was a great day in Whitesville as usual order of years past was followed. The Whitesville band and fire company both dressed in natty new uniforms, together with the patriotic orders and the Whitesville school made a very fine procession down Main street where services were held at the bridge and in Rural cemetery. Rev. F. M. Baker of Cleveland, Ohio delivered the address at I. O. O. F. hall in the afternoon. A male quartette accompanied by Mrs. Lee Millsaugh furnished music and the home coming of old timers from three states and many cities made the day a reunion long to be remembered.

Another well beloved resident of Whitesville, Mrs. Ada Austin Jones, passed away Saturday, June 1st at St. James Mercy hospital, Hornell, following an operation for strangulated hernia, and a cerebral hemorrhage following. Mrs. Jones was 72 years of age, was twice married, first to William Barney and after his death to Lewis H. Jones, also deceased. She is survived by a son, William Barney, Jr., by her first husband. A daughter, Beatrice died several years ago. Also one sister, Mrs. Esther Bassett of Independence and several other relatives. Mrs. Jones was a jolly, kind friend and neighbor, who will be greatly missed. Funeral services were held at the home of her niece, Mrs. Anna Robbins, Monday at 2 o'clock in the afternoon, the Rev. Harold E. Blish, pastor of the Methodist church officiating. She had a beautiful burial and the wealth of lovely flowers showed how she was respected. Her son "Bill" is left alone. He has the sincere sympathy of the community.

State Checks Bottlers Of Soft Drinks

A state-wide inspection of soft drink bottling companies is being made by Department of Agriculture and Markets inspectors to safeguard the public against beverage manufactured in insanitary plants and against fraud and deception in quality.

Strict enforcement of the laws pertaining to "pop" drinks is necessary to protect the consuming public, Commissioner Noyes said, but reliable manufacturers of soft drinks are giving the Department their full co-operation in an effort to offer the public wholesome and refreshing beverages during the hot summer months.

The roadside market offers an opportunity for many farmers to reduce costs of distribution and to increase farm income.
