Have you happened to turn over your calendar lately? I did, and it is actually only five weeks 'til Christmas. So the basketball season starts this Saturday night! The Purple Tigers will "eat up" Alfred-Almond there, so let's have the Andover bleachers filled for the start-off of the season. Let's win a trophy for the nice looking show case in the lower hall.

LOCAL BOYS GK MAKE GOOD

Two of our most prominent sports-men of A. C. S. made good Monday when they went deer hunting. The two lucky ones were John Howland and Don Emery

John Howland was walking thru the woods meditating, and heard something behind him whistle. He turned around and saw a sparrow on a clump of brush. He shot and to his surprise killed a deer on which the bird was sitting, knocking off four of the deer's eight points

Don Emery was walking in a blinding snow storm which blinded the deer, because it ran into Don and broke its neck and died.

We sincerely wish to congratulate loth boys on their fine work in getting a deer on the opening day.
