"The Aftermath"

Now that the second semester is well under way, we may take this time to make some interesting and timely contrasts.

For the pupil who has done nothing last semester, this second semester may mean one things. First, it may prove to be almost unbearable. If he Pope 95. did not pass the midyear test, he is probably not ready for the go second semester's work and he will find it tough sledding. On Driscoll 89; Jean Button 89. the other hand, it may prove be an incentive to turn over new leaf and to begin again.

For the person who has done his work every day, the second semester will be something which he can look forward. does not loom in the future like a dark cloud of gloom, for he can Library Notes see the silver lining which June will bring.
