### Infantile Paralysis Drive Opens In County

The Allegany county infantile paralysis financial campaign which was postponed until the completion of the USO drive, got under way at a dinner meeting held in Hotel Fassett, Wellsville, Monday night. Mrs. Kenneth Alvord, local chairman and Mrs. Kenneth Bostwick, co-chairman attended the meeting. The drive will continue until Feb. 15.

Assisting the chairman and cochairman on the Andover committee are Mrs. Richard Harder, Mrs. Glenn E. Bretsch, Mrs. S. B. Scott and Mrs. C. W. Connor. Due to the scarcity of food and the ban on driving to places of amusement, the local committee has decided to make a house-tohouse canvass this year instead of holding the usual benefit party and everyone is asked to be as generous as they can when visited by the solicitors, who are volunteering their time and efforts to this worthy cause.

Staff Sergeant Emilio J. Yannie, Jr., son of Mr. and Mrs. Emilio Yannie of Andover, is listed on America's roll of honor as recipient of the award of the Purple Heart for wounds received in combat over enemy territory January 23rd. ·

Details of the action in which Sgt. Yannie received his wounds are not available, but it is believed that he was a radio operator on a Flying Fortress which dew over enemy combat areas. As the announcement of the award came from London, would indicate that he was prob-
