YOUR VOICE COULD STOP A STUKA!

Wouldn't you like the thrill of working directly with the Army - of guiding our fighter pilots to annihilate any ene my planes that may come?

That's the job of civilian "spotters" That's a job you can perform --- vital essential in aiding our Air Forces in the defense of our shores.

On Observation Posts everywhere the Army Air Forces Ground Observer Corps is on guard day and night — flight of every plane.

Literally, these men and women Observers are the nerve system of our military offense and civil defense. Join in this important work now.
