The Land of Smiling People

A COLLEGE professor asked Alexander Keren- over, N. Y.): sky, the Russian, the following question: "What is Howland, Earl C., Lot 80, the thing in America that impressed you most when you first came here?"

"That is easy," was Kerensky's answer. America the people smile."

Americans smile because they are free. There are no Gestapos to fear; no firing squad to shoot them Joyce, Viola, Lot 65, acres down if they want to listen to their radios. They can worship God according to the dictates of their conscience. They can put into office the men they want Joyce, Viola, Lot 65, acres to govern them.

Americans smile because in America human personality is supreme. The aim of democracy is to help Lynch, T. J., Lot 65, acres the individual to grow and to give him an opportunity to attain happiness and success.

Americans smile because they have hope. The Mattison, Geo. Est., Lot 65, future is agleam with promise. They can have their acres 031. N Frie E families, their gardens, their homes, their dreams and they can make many of those dreams come true.

Totalitarian countries have governments that Mattison, Geo. Est., Lots 66 are "of the state, by the state and for the state." That's why life is hard and cruel.

In America we have a government that is "of the Mulholland, F. C., Lot 65, people, by the people and for the people." That's

why we smile. Today we are fighting to keep America a land Nelson Nelson, N. A., Lot 65, acres
