Victory Courses At Andover Central School

Carl Fribolin, agricultural instructor at Andover Central School, is announcing three adult evening victory courses to be offered to the public. All three courses being sponsored by the Federal Gövernment.

The farm machinery repaircourse, with Brinton J. Baker as instructor, is now being held each Monday and Tuesday evenings and will continue until the last of April. Any farmer having machinery he wishes to overhaul is requested to bring it to the school on one of these evenings. First come, first served, so don't put it off until the time is

Next Tuesday evening, March 😁 an adult victory garden class will be started, which will deal with the growing, harvesting, processing and storing of garden produce and home grown meats. | Carl Fribolin will be in charge of this course, with Miss Mahl, homemaking instructor in charge of the food processing. A demonstration garden is also planned in conjunction with this course. where different varieties will be cultural methods

Thursday evening, March 11, a course will be started on increasing potato production in this area. The course will feature modern growing practices. and disease control, with inspection trips included in the pro-
