building . . . We've got to match, as best we can, THE GOVERNMENT of the United States the sacrifice of those Americans who are toiling is asking us to lend it 13 billion dollars and sweating on a dozen battlefronts—with the n the next few weeks. We can do it. And bloodiest yet to come. The blunt fact is this: to Ve must do it. Every American must realkeep our war machine going, we've got to dig up 13 billion extra dollars this month. 13 billion In this, our toughest war, we've made a good dollars over and above our regular War Bond tart. We've trained a lot of men-made a lot of

In the next few weeks you may be visited by one of the thousands of volunteers who are contributing their time and effort to this Drive. But don't wait for him. Make up your mind now that before this drive is over, you're going to march right down to your nearest bank, Post Office, or place where they sell War Bonds, and do your duty. And don't ever forget this: in doing your duty, you're doing yourself one of the big-

llion dollars must be raised!

gest favors of your life! For United States War Bonds are the greatest investment in the world-bar none. They're investments tailored to fit your particular situation. And they give you the chance of a lifetime to order and get the kind of world you want to live in after this war. Every cent you put in War Bonds now will help to guarantee plenty of peacetime jobs making peace-living for every one of us.

For your Country's sake—for your own sake -invest all you can!

There Are 7 Different Types of U. S. Government Securities — Choose The Ones Best Suited For You:

United States War Savings Bonds-Series E: The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

21/2% Treasury Bonds of 1964-1969: Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal es. tate taxes. Dated April 15, 1943; due June 15, 1969. Denominations: \$500, \$1000, \$5000, \$10,-000, \$100,000—also \$1,000,000 if registered. Redemption: Not callable till June 15, 1964; thereafter at par and accrued interest on any interest date at 4 months' notice. Subject to Federal taxes only. Price: par and accrued interest.

Other Securities: Series "C" Tax Notes; 1/8% Certificates of Indebtedness; 2% Treasury Bonds of 1950-1952; United States Savings Bonds Series "F", United States Savings Bonds Series "G."
