Monday's Blackout Successful In

\$2.00 Year; 5c Copy

Andover

Monday night's blackout in Andover under the new regulations proved as a whole very successful, with very few violations, all of which proved unintentional thru the lack of understanding of the new regulations.

' Attention is called to the new regulations appearing on page 3 in this issue of the News. Read them carefully and thoroly and discuss them with the family so that all understand them. The greatest change is that house lights do not come on with the second Blue Signal, only street l lights. Do NOT put on your house lights until the all-clear is sounded, which in Andover is the ringing of church bells. In Monday's blackout the Yellow Signal came in at 9:25, the Blue at 9:35, the Red at
