That is, if they're writing the kind of letters a Newark Judge boy deserves to receive when he's far away and up Newark, N. J. is putting against the toughest job of his life.

Bishop Adna W. Leonard, before his fatal acci- In the first penalty action taken Attorney and Counselor at Law Office: E. Center St., Andore dent in the recent Army plane crash in Iceland, urged in February, Police Judge Masini the folks at home, "Write cheerful news; don't send imposed a one-day jail sentence your worries." He had discovered in his tour of on Miss Evelyn Jacques, presi-Army camps in Britain that "too many mothers, sis- for failure to observe the ordinters and sweethearts sob out their fears and their ance requiring processing of tin loneliness in their letters." Instead of mail day at cans for salvage. Three warnings being being of the comcamp being one of joy, the Bishop said that he found plaint. The sentence was imit was often a sad day for many of the boys.

It's not an easy thing to write a cheerful letter abide by the measure and help in always. War isn't easy, any of it, for anyone. But the war effort." Hereafter, he letters from home are important. They are more warned, five-day jail sentences than just pieces of paper with words on them. A let- will be imposed. ter can bring hope and courage or leave a feeling of How's your Victory Garden! depression and concern. The man who goes into battle with a troubled thought because of such a message is handicapped. He needs the freedom of all his faculties for his own good, and for the good of What You Buy With his comrades. A cheerful letter can give him that war BONDS freedom — that added armor of an unburdened WAR BONDS heart.—The Christian Science Monitor.

War workers, who now enjoy abnormal incomes should save some of their cash for the years ahead; tant role in landing our invasion arnobody knows what will happen when millions of mies. These self-propelled, light... fighting men are demobilized.

Any game that ends in a fight should be classified under some other heading.

Along with all else, etiquette has suffered a war change. In this new chivalry, a fellow gets up and gives a lady his seat at a lathe.

A speaker says he doesn't mind members of his audience pulling out their watches on him, but gets his goat to have them put the darn things up to their ears to see if they're going.

A quartet is a group composed of four men each of whom thinks the other three can't sing.
