## THE ANSWERS

1-About half, according to a recent survey. 2-Yes, by the Swedes, Norsemen, English, Mors, Vandals, Ot-

tomans and Carthagenians. 3—About 10,500,000. 4-Not at present because the

distance from unoccupied China to Tokyo is too great. 5-No; most of their salaries is credited to their accounts. 6-In general, the Victory

model is constructed with an eye on usefulness after the war. 7—Some guesswork involved, but the United Nations are probably producing at a rate of three

members; the C. I. O. 5,000,000, and the United Mine Workers 600,000.

10-Yes, especially Argentina

9—About one-third.
