## If Our Flag Could Speak

that it was early regarded as IF OUR National flag could speak on Flag Day, form of lead. In many languages, June 14th, what would it say? Possibly something including English, Arabic, Finnish, Dutch, German, Greek, Ethiopian, in the following words:

"I, as your flag, represent true democracy in the graphite pencil is misnamed "lead" representative form. I am only 164 years old, but pencil. before I took form and became a reality, millions of people thruout the world had given up their lives trying to give me birth . . .

If you would not fail me, you will preserve me Air, may never have a chance to in what I represent for you and those to follow. Your send an arrow twanging toward the work in preserving me is only the fulfillment of your Japs or Nazis, they would prove obligation to principle and justice and those who if the occasion to use one ever arose. created me for you. They gave to you, thru me, lib- To aid them in developing a sense erty and freedom and the opportunity for individual time when they will send steel spitaccomplishment—fair reward for services and the ting from the guns of their fighting protection of the law in the rightful enjoyment of planes, Randolph's tyro pilots learn property legally acquired.

"I leave you with this thought: I, your flag, Private Lloyd C. Schwartz, twice will mean just what you make me mean. I will stand bow and arrow champion of Texas for you and what you are and what you do. I can Antonio boy, Private Schwartz is be no more and no less than the representative of teaching cadets to be experts at placyour character, courage and nobility of purpose. I ing arrows in the target at a dishope you will never forsake the things I stand for "cloud shooting." Another trick the and I hope your acts will enable me always to hold cadets practice is sinking arrows in my head high any place on earth, proceeding always a two-inch target at 100 feet. One in the interest of justice, in the support of the will of Hoods of the air. God on earth, and in promoting the development of mankind in rightful happiness.

"May you never forget your obligation in return for your privileges—and remember, I shall be with recreation have been worked out by you always, if you make me stay."

#### Jack Has a Cow Called Cleo

ON A FARM, not far from his business office service. Time must be devoted in at Tampa, Florida, Jack Carr has a cow called Cleo. either leadership capacities or Efficient service - Established 1903 Jack, who makes a good living writing form letters equipment and facilities. In order for busy Northerners, says that cows always look as to continue wearing the award, the if they didn't have a worry in the world, but the idea volunteers must continue activities is merely a myth.

His Cleo, for instance, is petted and pampered throughout the past summer with an and practically a member of the family. "She sure-ly should be contented," says Jack, "but is she? Hell, each volunteer.

The moment Cleo is put out in the pasture she's pestered with gnats and flies. They don't give her a moment's peace of mind. She simply must keep the old tail swinging and switching to fight them Having watched Cleo long enough to become somewhat philosophic Jack says: "Guess there ain't no such thing as complete content or peace of mind for Cleo-or for you or me. It's that way all thrul life, love and business. Always something to annoy and pester us. And keep us plugging along. Depression, recession or something.

"I've just about come to this conclusion. And because you are sensible, I believe you have too .---We've got to accept conditions as they ARE—We must be content in getting our fair share of commodities, and do without everything that will make better living conditions for the boys in the services of our country.

on the Ruhr must make Germans sick at heart.

Yes, we are still sending scrap to Japan, but in a slightly different form.
