## Importance of Your War Bond

MANY times we underestimate the importance vice consists of a light weight of some of the things we do in this life.

We have a right to vote, that is everyone 21 to the front end of the tongue of the have and projectyears old and over. Yet, often on election days we ing over the path of the cutter. have heard people say: "Oh, I am not going to both- From the pole at intervals of eight to ten inches are suspender to vote. My one vote won't count." How often ed wires to which cross link auto these people have been wrong!

When the bill to draft-our boys for service came up in the House it was carried by just one vote. If lends of the chains should just drag the ground so that in mow-ling they will sweep over and wednesday evening. that Congressman hadn't voted as he did our prepartion on flushing bars can be obtained from the Conservation and it might have cost us victory in this war. And Department at Albany. buying one War Bond every week or every month is just as important to the winning of this war as was

the vote cast by that Congressman. By buying War Bonds regularly you are method-!ically aiding your country and supporting its finan-cial program so that it can buy the equipment which our boys need to defeat Hitler and Tojo.

Most important of all, you are standing behind your country in this momentous year, a year which President Roosevelt has told our boys is to be a year of attack and attack until our enemies unconditionally surrender. To carry on this tremendous campaign your government needs billions of dollars invested in War Bonds.

That's how important your regular purchase of P. S. L. A. M. That's how important your regular pure.

War Bonds is to your country and the cause of vic
