Second Period of Cuba Lake Health Camp Under Way

Cuba, July 28.—Eighty-six undernourished and under-privileged children from 13 Allegany county towns were enrolled at the Children's Health Camp at Cuba Lake on Sunday, July 25. Their entrance marked the opening or the second 1943 camp period.

The 23rd annual camp season began on Sunday, July 4 when 86 children began a three-week stay. Reports filed by Dr. E. J. Gilray, camp doctor and Miss cate substantial weight gains for all children. This factor can be lattributed to the organized routine, balanced diet and daily cod liver oil which each camper re-

Under the direction of Miss Catherine M. Codispoti, camp director and the camp staff, a prof gram emphasizing hygienic and healthful living, good sportsman-I ship, and leadership training, is

"The privation which war lbrings upon children are being considerably alleviated in Allegany county by the contribution of the sponsors of the-Children's Health Camp. Their efforts and money make it possible for many children to receive the basic Ineeds of life," stated Miss Codis-
