HOW ABOUT RUSSIA?

THE people of our country didn't understand Russia before the beginning of the war. We welcomed them as partners in the fight against the Axis 17-26 Years —but we still don't understand them. It is doubtful whether we ever will. Russia isn't at war with Jap- Civil Air Patrol Assisting examination to the nearest Avia- Carlton Davis of Richburg, a son. an. Stalin and his government seem to appreciate the six millions of dollars of war and food supplies from the United States. On the other hand, Stalin continues to complain about what he says is the failure by the United States and Britain to establish a aviation cadets in large numbers further details of the examinawestern front, even though forces have cleaned up bombardiers and navigators.
