"VALLEY OF THE SUN"

Gath for Superintendent of Highways

The undersigned Independent Committee is recommending the election of George Gath for the office of Town Superintendent of Highways, Town of Andover, because of his qualifications and extensive experience in highway work.

Mr. Gath has had 20 years experience in Highway Construction and is a qualified operator of all types of Highway machinery including Power Shovels, Bulldozers, and Cranes.

He spent six years in Highway work in Pennsylvania and ten years with H. E. Bunce building highways in New York State prior to superintending Government projects which included two years on the Corning Flood Abatement, one year at Johnstown, Flood Abatement, and one year at Chambersburg Munitions Base where 78 miles of road and 200 concrete bridges were constructed.

In view of the above experience, we feel that Mr. Gath is highly qualified for the office of Town Superintendent of Highways and respectfully solicit and urge his support for that office at the polls next Tuesday.
