Our Anniversary Greeting To Our Customers

For all these years at this season our store good-will has been extended to our customers over the big territory we serve. Always there has been a merchandising event to share with our friends. This year, for the first time, events prevent holding an anniversary sale, due to critical conditions in retail lines because of the war.

But we feel that we should not let our 26th Anniversary pass without a greeting to our customers, in appreciation of the trade and friendship we have enjoyed through the years. We know of no satisfaction to compare with the fine associations we have had from thousands of customers. It is that friendship we would cement even in war years by an Anniversary Message. We count it a privilege to thank one and all for their part in building our business.

Also special thanks belong to the manufacturers, in that we have been fortunate in having had for 26 years their co-operation in making the L. & C. Coat, Suit & Dress Co. one of the great women's wear stores in all Upstate New York.

> Indeed we thank you, CHARLES WINEBURG, President.
