Protect all our futures

• Now's the time to do it—to live up to our pledge to our fighting men that they can come home to a happy, prosperous community . . . where folks have a secure backlog for the future . . . where prices have been held down so *their* dollars, as well as ours, won't have a lessened value . . . where farmers have planned for the future by putting their money into the best investment in the world . . .
