ANDOVER, N. Y. MAR. 25, 1948

ADMINISTRATION The District Superintendency

of New York State placed by 208 district superin- close second with 126 markers. close. have been decreased by central-1

and No. 4, W. H. Garwood, Canaseraga.

To be eligible to election to 23 the office of district superinten- 29 dent of schools a person must be *40 at least 21 years old, a citizen of | *42 ...the ... United .. States .. and .. a resident | *48 ... of the State. He shall be a grad- 24 uate of a college or university *27 approved by the commissioner of *45 education and in addition he shall *46 have completed 30 semester hours 40 of graduate courses approved by |*42 the commissioner of education. *22 At the time of his or her appoint- 31 ment he or she must have com- | +59 ploton five years of teaching or \$48

tion in public schools. ... general powers and duties 20 of the district superintendent are *52 ed by Section 395 of the 41 P.O. Angelica Luciation Law. These are too --numerous to list. In general the office was created to provide more adequate and supervisory service for the rural schools of the state. By rural schools is meant al those schools not under the direction of a city or village superintendent. Under this organization a single officer, the district superintendent, performs all the clerical, administrative and supervisory duties of his office. In actual practice, he assumes responsibility for educational leadership within his territory. He assembles all the teachers of his district for the purpose of conference on the course of study, reports and advice and counsel in relation to discipline, school Opponents _____ 423 249 not be able to attend. management and other school The school is proud of the
