Performance must be tops in the milker you buy. You must be assured of smoothrunning efficiency that allows you to milk your herd quickly, quietly, and completely. Your cows must have gentle. massaging milking action to aid them in achieving maximum production. The milker itself must be easy to use, handle, and keep clean. ALL of these "musts" have been

built into the McCormick. Deering milker — for your

A McCormick-Deering on the job in your dairy barn. promptly cuts your milking time and steps up production. The result --- greater dairy profits for you! Drop in now and let us show you the features of the McCormick.
