heirs are really porous or honow tubes. The right kind of fur cleaning and treating stimulates the capillary action of the fur hairs and the life and fine, natural Our Polarized Care does this . . . and more! Your fur coat is thoroughly cleaned

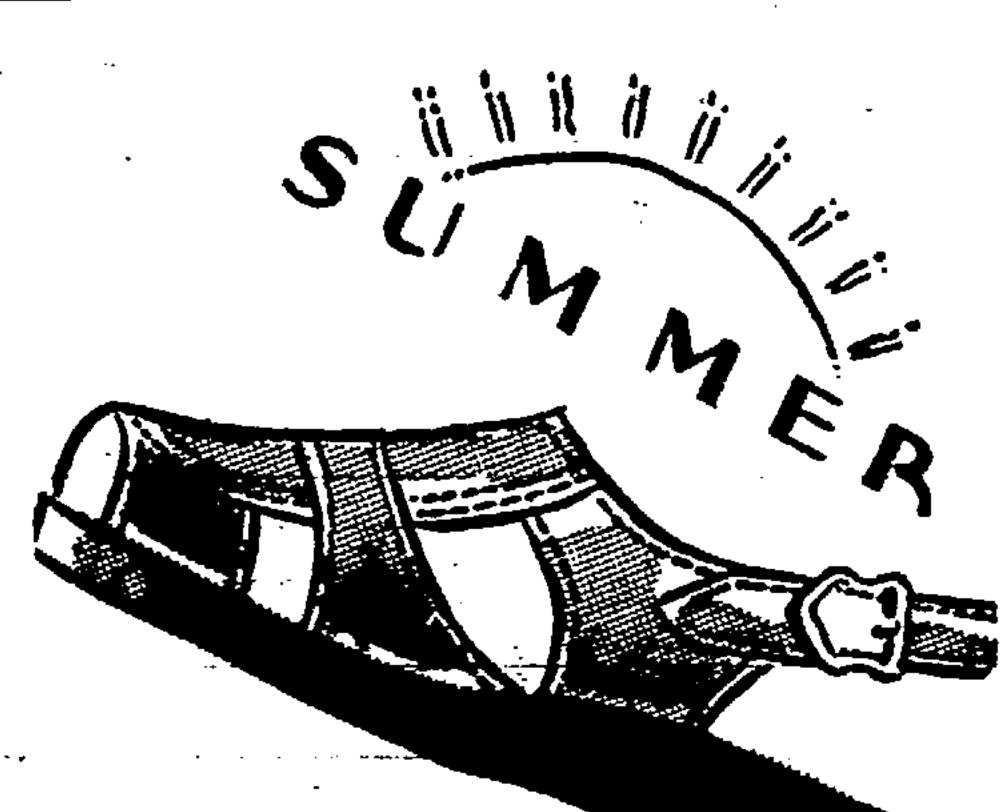

with Polar Bear, a material of almost miraculous qualities. It is gently tumbled in a special cleaning machine that carries the cleaner around every hair, clear to the pelt. Dust is blown away and all concentration of dirt from wear dissolves and vanishes. All moth life is destroyed. Then, special finishing machines massage the pelts and being back the fresh fullness and depth to the fur texture.

And that's not all! All theoregh the sweltering summer months, you'll take much comfort in knowing that your precious fur coat is hanging free in clean, coal sir, safe from fire and theft - right here in our premises where any day, you may come and look at it . . . and one day, when cold winds blow, it will again enfold you to keep you weem and proud . . . and lovely. We call it our Polesised Service. It is making us many steunch friends and we hope you will be one of them.
