butter or margarine. Or fill with jelly or fresh or canned fruit. A Place for Mother in Children's Hospital From across the big pond comes word that mother-love is a great aid in healing a sick child. According to the British Information Services, Professor J. C. of the Babies Hospital, Newcastle-on-Tyne has quickly if their mothers |

doctors are now advocating that living quarters for mothers incorporated in all children's nospitals of the future. Peach of a Peach Crop Peaches are thriving in sections north of Virginia according to Food Marketing Bulletin of Cornell University. Golden Jubilee peaches, the first of the New York State homegrown varieties, are on the market now. The season for them is short. So the authorities advise that you can. Shortly Hale Havens will be coming along and a little later Elbertas. This year the harvesting peaches is about two weeks earlier than usual. So you'll want

Cheese has a greater variety of flavors than is produced from any other single unflavored food, according to a Cornell dairy scientist. Eighteen distinct types of cheese are known and these types are grouped into at least 400 varieties.
