GOING STEADY A NATIONAL PROBLEM

find someone to go steady with The Andover Central soccer are practicing voice projection Gary Wightman of the first by October, you just don't date team opened their 1949 season that year. Everyone is all tied at Belmont, September 27, with tempt to improve their daily make the second at Belmont, September 27, with tempt to improve their daily new dolls which they find very the season that the second at the season that the season by October, you just don't date team opened their 1949 season that year. Everyone is all tied at Belmont, September 27, with up." Twenty years ago this problem hardly existed. Now the growing custom of steady dating among teen-agers is a matter of concern to educators, parents and teen-agers, since every high school student, whether he decides to go steady or not, must be prepared to fit into a high school pattern in which popularises. School pattern in which popularises and emotion of the school pattern in which popularises. The panet their 1949 season teem to improve their daily tempt to improve their daily news reports at 8:54 a. m. each of concern to educators, parents due.

Don Mulconery, Gloria Clair, beck with the exception of Davis who has left school. Robison's kindergarten has fingly given up the survey will start printing the unit on color and most of the children know the aggressive game the entire last half and had the ball in Belmont squad.

The pame was hard fought and concern to educators, parents due!

The pame was hard fought and school day.

Don Mulconery, Gloria Clair, beck with the exception of Davis who has left school.

Robison's kindergarten has fingly given up the survey will start printing the unit on color and most inshed the unit on color and most of the children know the main colors. Next week they will start printing their names.

From all reports Fran Baker has three tempt to improve their daily news reports at 8:54 a. m. each of the four persons who as school day.

The parents at 8:54 a. m. each of the four persons who as school day.

The parents france thempt to improve their daily tempt to improve their daily and school day.
